Plan to Complete Treatment: _____

NOTE: Head Start requires a dental exam with preventive services such as fluoride, and recommended treatment completed each year. Head Start families have been instructed to apply for MN Care if they do not have insurance. If ineligible for MN Care, Head Start will cover the cost of dental services at the MN Care allowable rate. Services, and their cost, must have prior approval from the Head Start Health Services Manager for payment: 651-603-5907. We greatly appreciate the services you are providing for our enrolled families.
